Tom Booker is a new attorney at a powerful Washington law firm. Texting while driving across Memorial Bridge, he loses control and crashes into an oncoming minivan carrying his own daughter and three of her friends. The minivan tips up on two wheels, about to flip over into the Potomac. Time freezes, he's alone on the bridge. A young couple approaches and offers him a re-wind. The crash would be averted, the children saved. All he must do is kill someone every two weeks—anyone—a “soul exchange.” A moment later, Tom is back in his spinning car, but averts the deadly crash. He laughs about the hallucination, attributing it to bumping his head on the steering wheel when his car came to an abrupt stop. But his encounter wasn't a hallucination. Two weeks later, the minivan driver is brutally murdered. Tom receives a text: one down, four to go. He has never shot—much less owned—a gun in his life, and now must turn himself into a serial killer or his daughter and her friends will die.

Mike Pace was born in Pittsburgh, Pennsylvania, and received an art degree from the University of Illinois. After teaching school in Washington's inner city, he earned a law degree from Georgetown University and was appointed Assistant U.S. Attorney for Washington. He was a commercial litigator and he served as General Counsel to an environmental

services company. He now writes and practices law part time. Mike lives on the Chesapeake Bay with his wife and two dogs.

### Advance Praise for *One to Go*

“**One To Go** by Mike Pace spins out a fascinating premise—what if a hideous mistake in life could be rewound?—into a ripping good novel, with a mix of tight plotting, explosive excitement, and vivid characters.”

—Douglas Preston, *New York Times* best-selling author of ***The Kraken Project***

"A terrific mix of murder and mayhem, with a clever woo-woo twist that will keep you on your toes. Definitely worth the price of admission."

—Steve Berry, *New York Times* best-selling author of ***King's Deception***

“Riveting in suspense, **One to Go** by Mike Pace is a pulse-pounding journey from Washington, D.C.'s most influential backrooms and courtrooms into its most dangerous neighborhoods. *With a supporting cast of memorable characters buttressed by muscular prose, One to Go is a devilishly clever tale, one you won't want to miss.*”

—Gayle Lynds, *New York Times* best-selling author of ***The Book of Spies***

"Mike Pace has fashioned a relentlessly suspenseful, gut-wrenching tale that's both homage to the classic *Twilight Zone* and a kind of post-modern take on early Stephen King with a wildly imaginative concept realized to the fullest.”

—Jon Land, best-selling author of ***Strong Darkness***
